

# Get - to - know - Card

I, \_\_\_\_\_ would like to invite you.

It's important to me, that this is not demanding any response of you, but I wish to talk to you. You can throw this invitation card away, you can keep it and think about it first and/or hand it back to me. On the backside you have the possibility to make your own invitation to me and/or just come over so we can talk. :)

You may say „No“ to all of this, you may say „Yes“.
